BUILDING OUR OWN SOLUTION

- 0:03 International e-commerce checkout. It needs global refinement.
- 0:06 The market feedback we have received states current solutions available cost a fortune, deliver unclear value and create complexity for brands trying to expand globally.
- 0:16 As retailers ourselves, we lived this pain.
- 0:18 So 2 decades ago, we built our own solution and it changed everything. And now we're changing the game for you.

INTRODUCING CHECKOUT BY THG FULFIL

- 0:25 Introducing Checkout by THG Fulfil, our hosted international checkout solution designed to empower enterprise businesses to scale globally.

GLOBAL MERCHANT OF RECORD

- 0:33 As your Merchant of Record, we handle the heavy lifting: tax compliance, duty calculation and payment processing across multiple countries - all managed seamlessly.
- 0:42 Local currencies and payment methods to boost conversion rates and drive growth with our checkout AI agent access real time insights on customer behaviour and checkout performance.

COURIER MANAGEMENT

- 0:51 Intelligent shipping orchestration through a single integration to our Courier Management platform. Dynamic delivery allocation from over 250 couriers with full end to end order tracking that keeps your customers informed.
- 1:03 Clear financial reconciliation shows your true cost to serve, courier costs, duties, taxes and all service fees. All transparent and easy to understand.

FULLY INTEGRATED SERVICES

1:12

You also now have the option of full synergy with our complete suite of operational services to streamline your entire international operation. Fulfilment, shipping, customer service and returns management all integrated for maximum efficiency.

1:24 This is international expansion, simplified.

1:26 We built this solution for ourselves and now it's yours.

1:30 Checkout by THG Fulfil - your international hosted check out solution. Built by retailers for retailers.
