Studio Hire at THG.

Icon is more than a building. It's 11.6 acres of creative, photographic, fitness, food, fashion and beauty studios under one roof.

With a full creative agency and crew spanning production to post, THG Studios is one of the largest creative spaces in Europe.

Studio hire is ideal for production companies, event companies, marketing agencies, and can be serviced through Dry Hire through to full production.

You can rent studio space, props, equipment, and even work with our expert set builders to design and create custom sets for your projects. And, to complete the package, we also offer onsite catering.
